

**COMPLIMENTARY WEBINAR
SUSTAINABLE GAMING
INNOVATION:
ENERGY-EFFICIENT TECHNOLOGY
IN ACTION**

**THURSDAY, SEPTEMBER 25TH
11:00 AM CT / 12:00 PM ET**

Hello [First Name]

We hope this email finds you well!

We are excited to introduce our featured speaker for OMRON's upcoming webinar, Sustainable Gaming Innovation: Energy-Efficient Technology in Action.

Domenico Gianni attended Marquette University where he obtained a bachelor's degree in business and corporate communications. is currently a Business Development Manager for OMRON, supporting product solutions for the casino gaming and power tools industry.

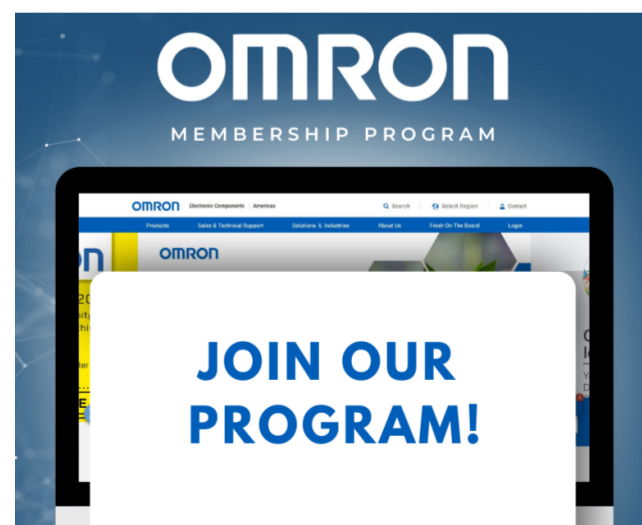

During the webinar, Domenico Gianni will be sharing current challenges in slot machine development, focusing on power consumption, player engagement, and sustainability, and go in-depth on the latest solutions that OMRON is releasing to meet them. For a sneak peek of the webinar, you can read this article that Domenico wrote [here](#). Domenico Gianni will provide valuable insights and practical takeaways for the casino gaming industry that will benefit you and your team.

We look forward to seeing you there!
